REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The cited prior art fails to teach the claimed invention alone or in combination.

Applicant successfully argues that the cited prior art Gupta et al. is not a valid available prior art as it is assigned to same assignee. Therefore prior rejection is withdrawn. The cited prior art fails to teach in combination the feature of maintaining synchronized playback of at least one annotation in one of the hypermedia document with at least one other annotation in another hypermedia document as claimed. Therefore the invention as claimed is allowable over the cited prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
